March 2016

Dear Plan Participant:

Despite dramatic increases in medical costs in recent years, the Board of Trustees of the Benefit Trust has maintained the monthly self-pay rate for continuing coverage at the rate of \$297.00 since 2014. The Trustees determined that monthly self-pay rates for continuing coverage on and after **June 1, 2016** will increase to **\$320.00**.

This rate continues to include a substantial subsidy in order to allow you to maintain coverage for you and your family. The Trustees will continue to monitor the financial stability of the Trust and adjust rates in the future accordingly.

Please contact the Benefit Trust Office should you have any questions or concerns.

Sincerely,

**BOARD OF TRUSTEES**
