# Aetna Medicare℠ Plan (PPO)
# Offered by Aetna Life Insurance Company

# Annual Notice of Changes for 2017

September 2016

Dear Member,

Thank you for your membership in Aetna Medicare.

Enclosed are your 2017 *Annual Notice of Changes* (ANOC), *Schedule of Copayments/Coinsurance* (SOC), *Evidence of Coverage* (EOC), and *Formulary* (list of covered drugs) documents.We are providing this information about your Medicare Advantage plan in accordance with requirements from the Centers for Medicare & Medicaid Services (CMS).

You are currently enrolled as a member of Aetna Medicare Plan (PPO). Next year, there will be some changes to the plan's costs and benefits. *This booklet tells about the changes.*

Please review this information to help you decide what coverage to choose for 2017.

If you have questions, we're here to help. Please call Customer Service at the telephone phone number on the back of your Aetna member ID card or contact our general customer service center at 1-888-267-2637. (For TTY assistance please dial 711.) We're available 8 a.m. to 6 p.m. local time, Monday through Friday. Calls to these numbers are toll free. You can also visit our website at http://www.aetnaretireeplans.com.

We value your membership and hope to continue to serve you next year.

Sincerely,

Aetna Medicare

## Additional Resources

- This information is available for free in other languages.
- Please contact Customer Service at the telephone number on the back of your Aetna member ID card or call our general customer service center at 1-888-267-2637 for additional information. (TTY users should call 711.) Hours are 8 a.m. to 6 p.m. local time, Monday through Friday.
- Customer Service also has free language interpreter services available for non-English speakers.
- Si desea más información, comuníquese con Servicios al Cliente al número de teléfono impreso en la parte posterior de su identificación de miembro. También puede llamar a nuestro Centro de Servicios al Cliente general al 1-888-267-2637. (Para recibir asistencia para usuarios de TTY, marque 711). Nuestro horario de atención es de lunes a viernes de 8 a.m. a 6 p.m., hora local. El Servicio al Cliente también dispone de servicios gratuitos de intérpretes para quienes no hablan inglés.
- This document may be made available in other formats such as Braille, large print or other alternate formats. Please contact Customer Service for more information.
- Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
- Minimum essential coverage (MEC): Coverage under this Plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at http://www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision for more information on the individual requirement for MEC.

## About Aetna Medicare Plan (PPO)

- Aetna Medicare is a PDP, HMO, PPO plan with a Medicare contract. Our SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal.
- When this booklet says "we," "us," or "our," it means Aetna Medicare. When it says "plan" or "our plan," it means Aetna Medicare Plan (PPO).

## Think about Your Medicare Coverage for Next Year

You can change your coverage during your former employer/union/trust's open enrollment period each year. In addition, each fall, Medicare allows you to change your Medicare health and drug coverage during the general Annual Enrollment Period. It's important to review your coverage now to make sure it will meet your needs next year.

To decide what's best for you, compare this information with the benefits and costs of other Medicare health plans available to you. You can switch to an individual Medicare health plan or to Original Medicare. **(It is important that you carefully consider your decision before dropping your group retiree coverage. This is important because you may permanently lose benefits you currently receive under your former employer/union/trust retiree group coverage if you switch plans. Call the benefits administrator of your former employer or retiree group for information. See Section 3.2 for more information.)**

---

**Important things to do:**

- ☐ **Check the changes to our benefits and costs to see if they affect you.** Do the changes affect the services you use? It is important to review benefit and cost changes to make sure they will work for you next year. Look in Section 1.5 for information about benefit and cost changes for our plan.

- ☐ **Check the changes to our prescription drug coverage to see if they affect you.** Will your drugs be covered? Are they in a different tier? Can you continue to use the same pharmacies? It is important to review the changes to make sure our drug coverage will work for you next year. Look in Section 1.6 for information about changes to our drug coverage.

- ☐ **Check to see if your doctors and other providers will be in our network next year.** Are your doctors in our network? What about the hospitals or other providers you use? Look in Section 1.3 for information about our Provider Directory.

- ☐ **Think about your overall health care costs.** How much will you spend out-of-pocket for the services and prescription drugs you use regularly? How much will you spend on your premium? How do the total costs compare to other Medicare coverage options?

- ☐ **Think about whether you are happy with our plan.**

---

**If you decide to <u>stay</u> with Aetna Medicare (PPO) plan:**

If you decide to stay with the same Aetna Medicare plan next year, your plan benefits administrator will give you instructions if there is any action you need to take to remain enrolled.

---

### If you decide to <u>change</u> plans:

If you decide to leave your current Aetna Medicare plan for 2017, you have choices on how to receive your Medicare benefits.

- You can change your coverage during your former employer/union/trust's open enrollment period. Your plan benefits administrator will tell you what other plan choices might be available to you under your group retiree coverage.

- You can switch to an individual Medicare health plan or to Original Medicare; however, this would mean dropping your group retiree coverage. You may change your plan during Medicare's general annual election period which runs from October 15 through December 7. As a member of a group Medicare plan, you are eligible for a special enrollment period if you leave your former employer/union/trust's plan. This means that you can enroll in an individual Medicare health plan or Original Medicare at any time. Look in Section 3.2 to learn more about your choices.

**It is important that you carefully consider your decision before dropping your group retiree coverage. This is important because you may permanently lose benefits you currently receive under your former employer/union/trust retiree group coverage if you switch plans. Call the benefits administrator of your former employer or retiree group for information.**

## Summary of Important Costs for 2017

The table below compares the 2016 costs and 2017 costs for our plan in several important areas. **Please note this is only a summary of changes. It is important to read the rest of this *Annual Notice of Changes*** and review the enclosed *Evidence of Coverage* and *Schedule of Copayments/Coinsurance* (SOC) to see if other benefit or cost changes affect you.

# SECTION 1 Changes to Benefits and Costs for Next Year

## Section 1.1 – Changes to the Monthly Premium (if applicable)

Your coverage is provided through a contract with your former employer/union/trust. The plan benefits administrator will provide you with information about your plan premium (if applicable).

If Aetna bills you directly for your total plan premium, we will mail you an annual coupon book detailing your premium amount.

**You must continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.**

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as "creditable coverage") for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving "Extra Help" with your prescription drug costs.

## Section 1.2 – Changes to Your Maximum Out-of-Pocket Amounts

To protect you, Medicare requires all health plans to limit how much you pay "out-of-pocket" during the year. These limits are called the "maximum out-of-pocket amounts." Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

| Cost | 2016 (this year) | 2017 (next year) |
|---|---|---|
| **Combined maximum out-of-pocket amount**<br>Your costs for covered medical services (such as copays, coinsurance, and deductibles, if applicable) from in-network and out-of-network providers count toward your combined maximum out-of-pocket amount. Your plan premium does not count toward your maximum out-of-pocket amount. | **$1,000** | **$1,000**<br>Once you have paid **$1,000** out-of-pocket for covered services, you will pay nothing for your covered services from in-network or out-of-network providers for the rest of the calendar year. |

## Section 1.3 – Changes to the Provider Network

There are changes to our network of providers for next year. An updated *Provider Directory* is located on our website at http://www.aetnamedicaredocfind.com. Please call Customer Service at the telephone number on the back of your Aetna member ID card or contact our general customer service center at 1-888-267-2637. (For TTY assistance please dial 711.)You may also call Customer Service for updated provider information or to ask us to mail you a *Provider Directory*. **Please review the 2017 *Provider Directory* to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- When possible we will provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan please contact us so we can assist you in finding a new provider and managing your care.

## Section 1.4 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. Page 1 of your *Prescription Drug Benefits Chart (Schedule of Copayments/Coinsurance)* lists the name of your 2017 pharmacy network. Please refer to this network name when looking for 2017 network pharmacies. An updated *Pharmacy Directory* is located on our website at https://www.aetnamedicare.com/findpharmacy. You may also call Customer Service for updated pharmacy information or to ask us to mail you a *Pharmacy Directory*. **Please review the 2017 *Pharmacy Directory* to see which pharmacies are in our network.**

## Section 1.5 – Changes to Benefits and Costs for Medical Services

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see the 2017 Medical Benefits Chart (Schedule of Copayments/Coinsurance) included in this package.

| Cost | 2016 (this year) | 2017 (next year) |
|---|---|---|
| **Emergency care**<br>Coverage is available worldwide | You pay a $0 copay per service. | You pay a $50 copay per service. |
| **Vision care** | You pay a $15 copay for one diabetic retinopathy screening every 12 months. | You pay a $0 copay for one diabetic retinopathy screening every 12 months. |

## Section 1.6 – Changes to Part D Prescription Drug Coverage

### Changes to Our Drug List

Our list of covered drugs is called a Formulary or "Drug List." A copy of our Drug List is in this envelope.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. **We encourage current members** to ask for an exception before next year.
    - To learn what you must do to ask for an exception, see Chapter 9 of your Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)) or call Member Services.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

In some situations, we will cover a **one-time**, temporary supply of a non-formulary drug in the first 90 days of coverage of the plan year. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 3, Section 5.2 of the *Evidence of Coverage*.) After you get this temporary supply, you should talk with your doctor to decide what to do when your temporary supply runs out. Here are your options:

- **Perhaps you can find a different drug** covered by the plan that might work just as well for you. Your doctor can help to find a covered drug that might work for you.

- You and your doctor can ask the plan to make an exception for you and cover the drug. To learn what you must do to ask for an exception, see the *Evidence of Coverage* included with this *Annual Notice of Changes.* Look for Chapter 9, Section 5 (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*).

You can ask for an exception for Part D drugs that are not on the formulary. You can also ask for an exception for Part D drugs that are on our formulary but with a restriction, such as prior authorization, step therapy, or quantity limit.

If you are currently taking a Part D drug that will no longer be on the formulary as of January 1, 2017, or a Part D drug that will have new restrictions on it beginning on January 1st, you can ask for an exception before that date to make sure we will continue covering that drug. Here is what will happen if you do not request an exception for those drugs before January 1, 2017:

- If the Part D drug you are taking will no longer be on the formulary or will have a restriction beginning January 1, 2017, we will cover up to a 30-day temporary supply (unless your prescription is written for fewer days) of the Part D drug for the first 90 days of the new plan year starting on January 1st.
- If you live in a long-term care facility and the Part D drug you are taking will no longer be on the formulary or will have a restriction beginning January 1, 2017, we will allow you to refill your prescription until we have provided you with at least a 91-day supply and up to a 98-day supply, consistent with the dispensing increment (unless your prescription is written for fewer days). We will cover more than one refill of this drug for the first 90 days of the new plan year starting on January 1st.
- If you experience a change in your setting of care (such as being discharged or admitted to a long term care facility), your physician or pharmacy can request a one-time prescription override. This one-time override will provide you with temporary coverage (up to a 30-day supply) for the applicable drug(s).

Regardless of the reason you received a temporary supply, you will need to utilize our exception process if you need to continue on the current drug.

**Important Note**: Please take advantage of filing your exception requests before January 1st. It will make for a very easy transition into the next calendar year. To learn what you must do to ask for an exception, see the *Evidence of Coverage* that was included in the mailing with this Annual Notice of Changes. Look for Chapter 7 of the *Evidence of Coverage* (What to do if you have a problem or complaint).

## Changes to Prescription Drug Costs

*Note:* If you are in a program that helps pay for your drugs ("Extra Help"), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also called the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug costs. If you get "Extra Help" and haven't received this insert by September 30, 2016, please call Customer Service and ask for the "LIS Rider." Phone numbers for Customer Service are in Section 7.1 of this booklet.

There are four "drug payment stages." How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in the enclosed *Evidence of Coverage*.)

### Changes to the Deductible Stage

| Stage | 2016 (this year) | 2017 (next year) |
|---|---|---|
| **Stage 1: Yearly Deductible Stage** | Because we have no deductible, this payment stage does not apply to you. | Because we have no deductible, this payment stage does not apply to you. |

### Changes to Your Cost-sharing in the Initial Coverage Stage

Your cost-sharing in the initial coverage stage for certain tier drugs may be changing from copayment to coinsurance *or* coinsurance to copayment. Please see the following chart for the changes from 2016 to 2017.

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, *Types of out-of-pocket costs you may pay for covered drugs* in your *Evidence of Coverage*.

| Stage | 2016 (this year) | 2017 (next year) |
|---|---|---|
| **Stage 2: Initial Coverage Stage**<br>During this stage, the plan pays its share of the cost of your drugs and **you pay your share of the cost.**<br>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost-sharing. For information about the costs for a long-term supply or for mail-order prescriptions, look in the 2017 *Prescription Drug Benefits Chart (Schedule of Copayments/Coinsurance)* included in this packet. | Your cost for a one-month supply filled at a network pharmacy:<br>**Standard cost-sharing**<br>Generic:<br>$7<br>Preferred Brand:<br>$25<br>Non-Preferred Brand:<br>$40 | Your cost for a one-month supply filled at a network pharmacy:<br>**Standard cost-sharing**<br>Generic:<br>$7<br>Preferred Brand:<br>$25<br>Non-Preferred Brand:<br>$40 |

| Stage | 2016 (this year) | 2017 (next year) |
|---|---|---|
| We changed the tier for some of the drugs on our Drug List. To see if your drugs will be in a different tier, look them up on the Drug List. | Once your total drug costs have reached $3,310, you will move to the next stage (the Coverage Gap Stage). | Once your total drug costs have reached $3,700, you will move to the next stage (the Coverage Gap Stage). |

### Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.** For information about your costs in these stages, look in the 2017 *Prescription Drug Benefits Chart (Schedule of Copayments/Coinsurance)* included in this packet.

# SECTION 3 Deciding Which Plan to Choose

## Section 3.1 – If you want to stay in Aetna Medicare Plan (PPO)

Your benefits administrator will tell you if you need to do anything to stay enrolled in your Aetna Medicare Plan.

## Section 3.2 – If you want to change plans

We hope to keep you as a member. However, if you want to change your plan, here are your options:

### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan. Your plan benefits administrator will let you know what options are available to you under your group retiree coverage.
- You can switch to an individual Medicare health plan.
- -- *OR*-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan and whether to buy a Medicare supplement (Medigap) policy.

**It is important that you carefully consider your decision before dropping your group retiree coverage. This is important because you may permanently lose benefits you currently receive under your former employer/union/trust retiree group coverage if you switch plans. Call the benefits administrator of your former employer or retiree group for information.**

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2017*, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to http://www.medicare.gov and click "Find health & drug plans." **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Aetna offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

### Step 2: Change your coverage

- To change **to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from our plan.
    - To **change to Original Medicare with a prescription drug plan,** enroll in the new drug plan. You will automatically be disenrolled from our plan.
- To **change to Original Medicare without a prescription drug plan,** you must either:
    - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet).
    - *– or –* Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## SECTION 4 Deadline for Changing Plans

You may be able to change to a different plan during your former employer/union/trust's open enrollment period. Your plan may allow you to make changes at other times as well. Your plan's benefits administrator will let you know what other plan options may be available to you.

### Are there other times of the year to make a change?

As a member of a group Medicare plan, you are eligible for a special enrollment period if you leave your former employer/union/trust's plan. This means that you can enroll in an individual Medicare health plan or Original Medicare. You may also change your plan during Medicare's general annual election period which runs from October 15 through December 7.

**It is important that you carefully consider your decision before dropping your group retiree coverage. This is important because you may permanently lose benefits you currently receive under your former employer/union/trust retiree group coverage if you switch plans. Call the benefits administrator of your former employer or retiree group for information.**

## SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state.

SHIPs are independent (not connected with any insurance company or health plan). They are state programs that get money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call your SHIP at the phone number in Addendum A at the back of the *Evidence of Coverage.*

## SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **"Extra Help" from Medicare.** People with limited incomes may qualify for "Extra Help" to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don't even know it. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
  - Your State Medicaid Office (applications).
- **Help from your state's pharmaceutical assistance program.** Many states have state pharmaceutical assistance programs (SPAPs) that help people pay for prescription drugs based on their financial need, age, or medical condition. Each state has different rules. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Addendum A at the back of the *Evidence of Coverage*).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the state ADAP. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call your state ADAP (the name and phone numbers for this organization are in Addendum A at the back of the *Evidence of Coverage*).

# SECTION 7 Questions?

## Section 7.1 – Getting Help from Aetna Medicare Plan (PPO)

Questions? We're here to help. Please call Customer Service at the telephone number on the back of your Aetna member ID card or call our general customer service center at 1-888-267-2637. (TTY only, call 711.) We are available for phone calls 8 a.m. to 6 p.m. local time, Monday through Friday. Calls to these numbers are free.

### Read your 2017 *Evidence of Coverage* (it has details about next year's benefits and costs)

This *Annual Notice of Changes* gives you a summary of changes in your benefits and costs for 2017. For details about your plan, look in the 2017 *Evidence of Coverage* and the *Schedule of Copayments/Coinsurance*. The *Evidence of Coverage* is the legal, detailed description of your plan benefits. It explains your rights and the rules you need to follow to get covered services and prescription drugs. A copy of the *Evidence of Coverage* is included in this envelope. The

*Schedule of Copayments/Coinsurance* lists the out of pocket cost share for your plan, a copy is included in this envelope.

### Visit our Website

You can also visit our website at http://www.aetnaretireeplans.com. As a reminder, our website has the most up-to-date information about our provider network (*Provider Directory*) and our list of covered drugs (*Formulary/Drug List*).

## Section 7.2 – Getting Help from Medicare

To get information directly from Medicare:

### Call 1-800-MEDICARE (1-800-633-4227)

## Aetna Life Insurance Company

**Former Employer/Union/Trust Name: IRON WORKERS DISTRICT COUNCIL OF SOUTHERN OHIO & VICINITY BENEFIT TRUST**
**Group Agreement Effective Date: 01/01/2017**
**Group Number: 457642**

This Prescription Drug Benefits Chart (Schedule of Copayments/Coinsurance) is part of the *Evidence of Coverage* (EOC) for our plan. When the EOC refers to the attachment for details of Medicare Part D prescription drug benefits covered under our plan, it is referring to this Prescription Drug Benefits Chart. (See the EOC chapters titled "Using the plan's coverage for your Part D prescription drugs" and "What you pay for your Part D prescription drugs.")

**Retail Pharmacy Network:** S2

The name of your pharmacy network is listed above. To find a network pharmacy, you can look in your Pharmacy Directory, visit our website (http://www. aetnamedicare.com/findpharmacy), or call Customer Service (phone numbers are printed on the back of your member ID card).

**Enhanced Drug Benefit**

We offer additional coverage of some prescription drugs not normally covered in a Medicare prescription drug plan, including the following:

- Drugs when used for weight loss
- Prescription vitamin and mineral products (except prenatal vitamins and fluoride preparations)
- Drugs when used for the treatment of sexual or erectile dysfunction

The cost share for these drugs is listed in the table below. See Tier 1 for the generic cost share amount and Tier 2 for the brand cost share amount. The amount you pay when you fill a prescription for these drugs does not count towards qualifying you for catastrophic coverage. Limitations, such as quantity limits and prior authorization requirements, can be found in the formulary included in this mailing. In addition, if you are receiving "Extra Help" from Medicare to pay for your prescriptions, the "Extra Help" will not pay for these drugs. Please refer to your formulary or call Customer Service for more information.

Every drug on the plan's Drug List is in one of the cost-sharing tiers described below:

- Tier One – Generic drugs
- Tier Two – Preferred brand drugs
- Tier Three – Non-preferred brand drugs

To find out which cost-sharing tier your drug is in, look it up in the plan's Drug List. If your covered drug costs less than the copayment amount listed in the chart, you will pay that lower price for the drug. You pay *either* the full price of the drug *or* the copayment amount, *whichever is lower*.

**Initial Coverage Stage:** Amount you pay, up to $3,700 in total covered prescription drug expenses.

| **Three Tier Plan** | **Standard retail cost-sharing (in-network)** (up to a 30-day supply) | **Standard retail or standard mail order cost-sharing** (up to a 90-day supply) | **Preferred mail order cost-sharing** (up to a 90-day supply) | **Long-term care (LTC) cost-sharing** (up to a 31-day supply) | **Out-of-network cost-sharing*** (up to a 30-day supply) |
|---|---|---|---|---|---|
| **Tier 1** Generic drugs | $7 | $14 | $14 | $7 | $7 |
| **Tier 2** Preferred brand drugs | $25 | $50 | $50 | $25 | $25 |
| **Tier 3** Non-preferred brand drugs | $40 | $80 | $80 | $40 | $40 |

***Out-of-network coverage is limited to certain situations; see the *Evidence of Coverage* chapter titled "Using the plan's coverage for your Part D prescription drugs," Section 2.5.

**Coverage Gap Stage:** Amount you pay after you reach $3,700 in total covered prescription drug expenses and until you reach $4,950 in out-of-pocket covered prescription drug costs.

Your former employer/union/trust provides additional coverage during the Coverage Gap stage for covered drugs. This supplemental gap coverage is listed in the below chart.

| **Supplemental Gap Coverage Tiers** | **Standard retail cost-sharing (in-network)** (up to a 30-day supply) | **Standard retail or standard mail order cost-sharing** (up to a 90-day supply) | **Preferred mail order cost-sharing** (up to a 90-day supply) | **Long-term care (LTC) cost-sharing** (up to a 31-day supply) | **Out-of-network cost-sharing*** (up to a 30-day supply) |
|---|---|---|---|---|---|
| **Tier 1** Generic drugs | $7 | $14 | $14 | $7 | $7 |

| **Supplemental Gap Coverage Tiers** | **Standard retail cost-sharing (in-network)** (up to a 30-day supply) | **Standard retail or standard mail order cost-sharing** (up to a 90-day supply) | **Preferred mail order cost-sharing** (up to a 90-day supply) | **Long-term care (LTC) cost-sharing** (up to a 31-day supply) | **Out-of-network cost-sharing*** (up to a 30-day supply) |
|---|---|---|---|---|---|
| **Tier 2** Preferred brand drugs | $25 | $50 | $50 | $25 | $25 |
| **Tier 3** Non-preferred brand drugs | $40 | $80 | $80 | $40 | $40 |

*Out-of-network coverage is limited to certain situations; see the *Evidence of Coverage* chapter titled "Using the plan's coverage for your Part D prescription drugs," Section 2.5.

Your former employer/union/trust provides additional coverage during the Coverage Gap stage for covered drugs. This means that you will generally continue to pay the same amount for covered drugs throughout the Coverage Gap stage of the plan as you paid in the Initial Coverage stage.

Coinsurance-based cost-sharing is applied against the overall cost of the drug, prior to the application of any discounts or benefits.

**Catastrophic Coverage Stage:** Amount you pay for covered prescription drugs after reaching $4,950 in out-of-pocket prescription drug costs.

| **Prescription Drug Quantity** | **All covered prescription drugs** |
|---|---|
| Per prescription or refill | Your share of the cost for a covered drug will be either coinsurance or a copayment, whichever is the larger amount:<br>*–either –* coinsurance of 5% of the cost of the drug<br>*–or –* $3.30 copayment for a generic drug or a drug that is treated like a generic. Or a $8.25 copayment for all other drugs.<br>Our plan pays the rest of the cost. |

**Step Therapy**

Your plan includes step therapy. This requirement encourages you to try less costly but just as effective drugs before the plan covers another drug. For example, if Drug A and Drug B treat the same medical condition, the plan may require you to try Drug A first. If Drug A does not work for you, the plan will then cover Drug B.

**This Plan Uses an Open 2 Formulary:**

Your plan uses an Open 2 formulary, which means you have coverage for every drug identified by Medicare as a part D drug, as long as the drug is medically necessary and the plan rules are followed. Non-preferred

copay levels apply to some drugs on the drug list. Review the *Aetna Medicare 2017 Group Formulary (List of Covered Drugs)* for more information.
