Dear Participant,

Re: Defaulting a loan

If you defaulted on a loan that you obtained after January 1, 2002, the plan guidelines state:

Once a loan is in default, the only way to repay the defaulted loan is to pay the entire unpaid loan balance, plus accrued interest to date, in one lump sum payment. If you default on a loan, and do not repay it in one lump sum, the defaulted loan is considered to be distributed, and you are not eligible to apply for another loan from the Plan until the loan is paid in full.

Annuity Trust Department

Annuity Loan Plan Guidelines

Please read these guidelines before completing a loan application.

You cannot take a loan from your Annuity Plan...

- 1) ...to pay off another loan.
 - 2) ...to repay a loan owed to any financial institution.
 - 3) ...to repay a loan taken from this Annuity Plan.
-

If you are applying for any of the following loans from your Annuity Fund...

- 1) Home Purchase
- 2) Land Purchase
- 3) Automobile
- 4) Funeral
- 5) Tuition

... you are unable to take an Annuity Plan loan from any amount that is financed through any other loan or financing arrangement. You must submit proof by providing the first page and the signature page of the loan paperwork, or a statement from your loan officer. This documentation must be on the lender's letterhead and be signed and dated by the loan officer.

As an example, if you are purchasing a home for \$100,000, and the amount you finance through a bank or other financial institution is \$80,000, then the amount that is eligible for an Annuity Plan loan is \$20,000.

Closing costs for home/land purchases are not eligible expenses for an Annuity Plan loan.
